

**SPECIFICATION FOR BRUSH CUTTER.**  
SPECIFICATION NO. MECH/M&P/3100/GM/ 16

**1.0 IMPORTANT INSTRUCTIONS TO TENDERERS FOR FILLING TECHNICAL BID**

- 1.1 Bidders are required to give clause wise comments on the technical specifications, confirming compliance/non-compliance with details of deviations if any along with their effect on the performance. Back references to be avoided, offers are likely to be ignored in case of non-compliance of these instructions for furnishing the information.
- 1.2 Unless otherwise stated, latest alterations/ revisions of specifications/ standards/ drawings shall be applicable. In respect of safety standards and environmental standards relevant to the machine, the machine manufacturers shall ensure compliance with international (CE/ISO/DIN/JIS)/National standards (IS) (where applicable).
- 1.3 Tenderers should offer and quote for all the specified concomitant accessories, as these are considered essential for commissioning and utilization of the machine. Even if bidder does not recommend the purchase any of these accessories, the price must be quoted for comparison purposes and their recommendation/suggestion indicated in the offer. Tenderers should also quote for optional accessories, spares and consumable spares as asked in the specifications.
- 1.4 In case, any item is required in sets, please specify nos./pieces per set. This is essential for proper technical evaluation of the offer. Offers received without this may be considered as incomplete and liable to be rejected.
- 1.5 The bidder should quote only for the specified make of sub-assemblies and equipment wherever specified. Makes of sub-systems other than the specified ones will normally not be acceptable. In case, some other make is quoted, specific reasons for the same including its features/advantages over specified makes must be brought out in the offer.
- 1.6 In case there is a contradiction in any information provided (some parametric values given in the specification and those given in the brochure or some other document enclosed by the tenderer), unless specifically mentioned in the deviation cum confirmation statement the values as given in the specification shall be taken as confirmed by the tenderer and offer evaluated accordingly.
- 1.7 The Purchaser may accept internationally accepted alternative specifications which ensure equal or higher quality than the specifications mentioned in the Technical Specification. However, the decision of the Purchaser in this regard shall be final.
- 1.8 Purchaser reserves the right to verify the details submitted by the bidder by actual site visits.
- 1.9 Other terms & condition of the contract will be as per Indian Railway Standard conditions of contract.

## 1. PURPOSE:

To improve the greens of RCF Golf Course.

## 2.0 DESCRIPTION AND SCOPE OF SUPPLY:

2.1 The scope of supply covers supply, installation and commissioning of machine as detailed in the specifications and other concomitant accessories/equipments, which the manufacturer considers essential to make the machine fully operational when installed and commissioned. The requirement of utilities etc. if any, should be clearly indicated by the tenderer in the offer.

The total value of the offer will be calculated on:

- I) The cost of the basic machine.
- ii) Cost of the concomitant accessories according to tender specification
- iii) Cost of any other accessory treated as concomitant accessory.
- iv) Applicable duties and taxes, insurance, freight installation and commissioning.

## 3.0 General features:

3.1 Main parameters should confirm to schedule 'A' to this specification

Machine should be pre-fitted with cutter and supplier should specify the height which can be achieved with this.

- a) Only Engine of reputed make should be fitted such as Kawasaki, Honda, Kohler, and Maruyama Only.
- b) The machine should be capable of operating in severe working conditions of dust and temperature between 0°C to 50°C and humidity up to 98%. The system should be capable of working under these conditions continuously for 2 shift working.
- c) The following literature in English should accompany the machine on delivery.
  - (i) 01 copy of operating and service manuals.
  - (ii) 01 copy of spares catalogue and part list.

## 4.0 Concomitant Accessories:

The tenderer shall supply a list of concomitant accessories which will be supplied along with the machine. The cost of each listed concomitant accessory should be quoted separately. Wherever for any reason the cost of any concomitant accessory is included in the basic price of the machine, the same should be specifically so mentioned. Any other accessory, which in the opinion of the tenderer can contribute to higher efficiency, should be indicated and quoted separately.

## **5.0 SPARES:**

- 5.1 The tenderer should furnish details of spares covered under warranty.
- 5.2 The tenderer should also furnish the price list of spare parts required for three years normal maintenance of the equipment.

## **6.0 COMMISSIONING AND PROVING OUT:**

- 6.1 The successful tenderer shall have to commission the machine within 15 days from the date of receipt of machine at RCF, Kapurthala.
- 6.2 The successful tenderer shall have to prove out the performance of the machine at RCF premises to the entire satisfaction of the consignee.

## **7.0 TECHNICAL LITERATURE:**

- 7.1 One copy of the printed illustrative catalogue showing features of the machine and its elements must be enclosed with each copy of the bid.
- 7.2 The successful tenderer will have to furnish for each Machine one copy of spare parts catalogue giving the part list number of each component with exploded views and assembly drawings, maintenance manual, trouble-shooting guide, operational manual of the machine and all circuit diagrams.

## **8.0 ELIGIBILITY CRITERIA:**

- 8.1 The tenderer shall be registered on IREPS website ([www.ireps.gov.in](http://www.ireps.gov.in)) to participate in the tendering process.
- 8.2 The tenderer shall have supplied to the following international golf courses of India:
