Date:30.07.2026

Sub: Issue of amendment -1 to Specification No. MDTS-20322, Rev. 02 for Schedule of Technical requirement for manufacture and supply of fully assembled FIAT bogie with air spring in secondary suspension

Please find amendment -1 to Specification No. MDTS-20322, Rev. 02 as detailed below for information and necessary action please.

Para/ clause	Earlier	Modified
Para 17	**Warranty**: The manufacturer shall warrant the bogie frame and bolster for a period of 84 months from the date of supply or 72 months from the date of service whichever is earlier, for material, manufacture and workmanship as regards trouble-free and satisfactory service performance. If any defects are noticed during service with regards to manufacture/welding quality of the bogie complete, action shall be taken by the supplier to carry out any repairs/ rectification or replacement at firm's own cost. The decision of the purchaser in this regard shall be final.	**Warranty**: The manufacturer shall warrant the bogie frame & bogie bolster for a period of 48 months from date of supply or 36 months from the date of service whichever is earlier for material, manufacture and workmanship as regards trouble-free and satisfactory service performance. If any defects are noticed during service with regards to manufacture/welding quality of the bogie complete, action shall be taken by the supplier to carry out any repairs/rectification or replacement at firm's own cost. The decision of the purchaser in this regard shall be final. However, warranty period of bought out items shall be as mentioned in the relevant applicable specification of the item.

This has approval of competent authority.
