

Halogen free, polyamide type accessories with Metric/Pg threads required for wiring of various type of under frame equipments of MG-SG Luggage cum brake van for Benin Railways

Sr. No.	Description	As per spec. no. EDTS-291, -Rev.'0', Annexure-I	Total unit/coach	Location
1.	Straight End fitting with Pg threads, Pg-21	Table-3, item-5	6	For termination in battery box and Alternator cable box
2.	Polyamide flexible conduit, NW-23	Table-1, item-7	19	Conduit for battery box and Alternator cable box
3.	Straight End fitting with Metric thread, M50x1.5	Table-2, item-23	3	Termination in Regulator cum rectifier and Alternator cable box
4.	Polyamide flexible conduit, NW-36	Table-1, item-9	7	Conduit for Regulator cum rectifier
5.	Tube clamp, NW-36	Table-10, item-7	10	Clamping of conduit for Regulator cum rectifier
6.	Straight End fitting with Metric thread, M50x1.5	Table-2, item-25	3	For termination in dia.50 metallic conduit for Regulator cum rectifier
7.	Straight End fitting with Metric thread, M25x1.5	Table-2, item-13	10	For termination in dia.25 metallic conduit for battery box
8.	Tube clamp, NW-23	Table-10, item-5	10	Clamping of conduit for battery box
9.	Hexagonal lock nut with Pg Threads, Pg-21	Table-12, item-6	6	Alternator cable box
