

1. There is no insanitary latrine at any place under the control of Rail Coach Factory/Kapurthala.
2. There is no employment of Manual Scavengers either directly or indirectly through contractors. Hazardous manual cleaning of sewer and septic tanks without protective head gear and boots is prohibited. The instructions have been conveyed for strict observations and compliance right below up to the supervisory level (Health Inspectors etc.).
3. There are no Manual Scavengers and as such the question of survey and their rehabilitation does not arise.

The concerned officials have been apprised of the statutory/mandatory provisions of "The Prohibition of Employment as Manual Scavengers and their Rehabilitation Act,2013" and to strictly observe the provisions.
