

IMPORTANT NOTICE FOR VENDORS REGARDING WORKS TEST CERTIFICATE (WTC)

Recently RCF has introduced a standard format of Works Test Certificate bearing no QMW 1001 Ver 1.0 which is filled and given by the suppliers along with material, in those cases where WTC is applicable as per contract. However, it is noticed that there are some deficiencies left by vendors while filling this WTC. The common deficiencies are enumerated below for information and rectification by the suppliers in WTC to be submitted in future-

1. Wrong details of Purchase Order and Purchase order date in WTC
2. Stamp, Name and Rank of the person signing the WTC is missing in WTC.
3. Option Yes/No is not marked in response to table heading 'Result Sheet attached as Annexure(strike out whichever is not applicable)'
4. Identification number of samples on which acceptance tests were done, are not filled up.
5. Destructive/Non-Destructive test not mentioned in respective tables.
